Zip: 63105-0017

In the space below, please answer the following questions: Who are we? What is/are our mission and goals? What are the primary activities in the St. Louis region? Also, please list available publications and resources.

We are the 37 Affiliates of the Daughters of Charity, West Central, Saint Louis Province. Our mission is to continue the good works of the Company through service to those persons who are poor. We have an Executive Committee which facilitates planning of retreats and spiritual programs and organizes various service projects. Our most recent event was a fall gathering focusing on the life of Saint Elizabeth Ann Seton; we held this jointly with Affiliates from the East Central, Evansville Province.
